

ANNOUNCEMENT

On the convenience and transaction fees for purchasing parking tickets in the Simple Application and e-vignettes available in the Simple Application and OTP Digital Services

Effective: 19 December 2025

I. Convenience fee for purchasing parking tickets in the Simple application

SimplePay Zrt., as the operator of the Simple Application, hereby informs Users—based on the provisions under the “Parking and e-Vignette” section of the Simple General Terms and Conditions—of the convenience fees charged by SimplePay Zrt. for parking ticket purchase services:

CONVENIENCE FEE FOR PARKING SERVICES FROM 1 JANUARY 2025

Fee type	Amount (gross fee including VAT)
Parking convenience fee	109 HUF

CONVENIENCE FEE FOR PARKING SERVICES FROM 1 JANUARY 2024

Fee type	Amount (gross fee including VAT)
Parking convenience fee	99 HUF

II. Transaction fee for purchasing e-vignettes in the Simple application and OTP Digital Services

SimplePay Zrt. hereby informs Users - as the operator of the Simple Application under the “Parking and e-Vignette” section of the Simple General Terms and Conditions, and as a Reseller in accordance with Section 1 of the General Terms and Conditions of Use for OTP Digital Services (relating to services sold by National Mobile Payment Plc. through a unified electronic sales interface), and under Section 7 of those Terms - about the transaction and convenience fees charged by SimplePay Zrt. for e-vignette purchases made in the OTP Digital Services:

In compliance with its legal obligation, from 1 September 2025, SimplePay Zrt. will not charge any convenience fee for e-vignette purchases.

SimplePay Zrt., acting within its own decision-making authority, determines the availability of individual e-vignette types in the Simple application. The M1 regional vignette and the discounted-price Borsod-Abaúj-Zemplén (BAZ) county vignette are available in the Simple application **starting from version 2.18.0.**
